

MAJOR DAPRAY WILL INSTRUCT CADETS

Commandant at Maryland Agricultural College Detailed to Instruct Local Students.

According to an announcement made this morning at the War Department, Major J. A. Dapray, U. S. A., retired, will be the next commandant of the High School Cadet Corps of the District of Columbia. Major Dapray is now professor of military tactics and science at the Maryland Agricultural College, at College Park, Md., and will continue his present duties along with those of commandant of the corps.

Major Dapray has been commandant of cadets at the Maryland college since January 15, 1912. Before that he was military instructor at the Pennington Military College, at San Antonio.

Major Dapray served with Gen. Nelson A. Miles in two Indian campaigns, was aide to Gen. Winfield S. Hancock and Secretary of War, and was adjutant general of the District of Columbia National Guard.

He was aide to Gen. Frederick D. Grant and later acted as military governor of some of the smaller islands in the Philippines.

Major Dapray was born in South Carolina in 1852. Before his retirement, on January 25, 1904, Major Dapray was connected with the War Department and was a newspaper correspondent.

The high school cadet regiment has been without the services of a military instructor since the death of Col. Burton R. Ross, on January 27, 1913.

Bull Moose Denies T. R. Will Be G. O. P. Candidate

NEW YORK, Feb. 5.—Francis W. Bird, chairman of the Progressive county committee, denies Theodore Roosevelt will accept a nomination for governor of New York on the Republican ticket next fall.

"Such reports," said Mr. Bird, "are being circulated by Republican leaders to bolster up their disintegrating organizations. I have no knowledge as to Colonel Roosevelt's plans this year, beyond the fact that he will not run on the Republican ticket. I do not think he has considered the question of being the candidate of any party."

Lima Rejoices Over Military Coup That Deposed Billinghurst—Congress Meets.

LIMA, Peru, Feb. 5.—Eighty killed and wounded was the total of the casualties of the military coup d'etat which deposed President Guillermo Billinghurst. No successor to Billinghurst has been proclaimed today.

Augusto Durand, revolutionary leader, occupied the palace and directed affairs of state while Colonel Benavides, who led the force that captured the palace, was acting as chief of staff.

Durand in all probability will be declared president by congress today.

Billinghurst today was held a prisoner at Callao, awaiting deportation. Lima is comparatively quiet and the people are rejoicing over the turn of events.

Aked to Resign Church Federation Presidency

SAN FRANCISCO, Feb. 5.—The Rev. Charles F. Aked, John D. Rockefeller's former pastor, is willing to resign the presidency of the local church federation because Presbyterian ministers object to his recent denial of the doctrine of Christ's miraculous birth and the belief that Christ was God. He is pastor of the First Congregational Church here.

"Protestantism is not so strong in San Francisco that I would be willing to weaken it even for a time," he said today.

"Unless the church federation unanimously desires my services as president, I shall withdraw. My recent sermon was not inconsistent with my past utterances."

MEN BARRED FROM GYM CLUB CIRCUS

Of Course, They're Welcome, But There's Just No Room to Put 'Em. That's All.

"Positively the most attractive, adorable and adroit aggregation of acrobats and animals ever seen in Washington will make its first public appearance at the Y. M. C. A., Tuesday evening, February 10, in rain or shine."

So the press agent of this superior organization announces.

The Gym club of the Washington Y. M. C. A. stands sponsor for this grand, spectacular array of untrained offerings of the tankard, and many surprises never dreamed of by the circus shows—combined will be given here for the first time.

Among the animals to be shown, for it is the aim of the management to provide educational entertainment as well as amusement, will be the rhinoceros, the elephant, giraffe, the "my-bully," the "dwarf-bird," and other ferocious beasts dressed in human clothes.

A melodious, marvelous five-piece band will afford music for the parade in the main corridors of the building immediately before the performance.

About fifty Gym club girls will take part. Miss Helen Wynn, physical director of the gymnasium, will be in charge of the program. Miss Elizabeth Pierce will be ringmaster.

Warns You to Avoid Substitutes

If a tonic-stimulant better than Duffy's existed, this gentleman is certainly in a position to know it. He uses Duffy's himself; recommends it to young and old.

"I have used Duffy's Pure Malt Whiskey for some time. I recommend it where a stimulant and tonic is needed for young and old people. Duffy's Pure Malt Whiskey can't be beat for I am somewhat of an authority on spirituous liquors—I find that Duffy's Pure Malt Whiskey has less percentage of fuel oil and tannin in it than any other whiskey on the market. This I attribute to the making of your wonderful product you use only good, selected, wholesome grain, which when properly malted and aged in wood makes an excellent medicinal drink."

Many of the so-called malt whiskeys sold as substitutes for Duffy's Pure Malt Whiskey have in small print on the label "blend" or "compound." This class of whiskey is inferior because they make a greater profit on these unknown and usually inferior brands. An honest dealer would not try to substitute—beware of dealers who try to sell you "blend" or "compound" whiskeys. Buy Duffy's Pure Malt Whiskey at the Elmhurst, Police Cafe, Fairview and Palmerton Streets, Brooklyn, N. Y.

There are other malt whiskeys prepared for beverage purposes, but for use of the sick, Duffy's stands at the top. Distilled from malted grain, including barley, the most expensive.

Duffy's Pure Malt Whiskey

stands alone as the purest and most wholesome, and costs the most to make. That's why it has a host of cheap imitations which are sometimes forced upon you from a mercenary standpoint, regardless of your health. But remember, there's nothing "just as good" as Duffy's, that has the wonderful record as a health producer back of it, and is worth all it costs and more. Refuse substitutes and resolve to get Duffy's Pure Malt Whiskey, not something which cannot possibly take its place. Sold in sealed bottles only by most reliable druggists, grocers, and dealers. Look for the "Edw. Malisky" trade-mark, seal, and label on the bottle, and be sure the seal over the cork is unbroken. Duffy's is the standard of purity and excellence since 1867. Medical men, druggists, and grocers, on request.
